

Synthetic Stock Repair Form

Paladin Coatings
Send Stocks Only to: 5726 Safari Drive Unit B
New Braunfels, TX 78132

The above pictured Sako stock can develop a "Sticky" or "Melted" surface. Paladin can repair this model of stock only. For repair service, please fill out this form and ship the damaged stock and completed form to the above address. Your stock will be repaired and returned in 3-4 weeks.
DO NOT SHIP FIREARMS WITH THIS FORM

A repaired Sako Stock will retain the original color.

For an additional fee, Paladin can coat your stock with our signature high-durability all weather finish.
